

The **IASL 2021 Annual Conference** is requesting submissions for

POSTER CHALLENGE

- Do you have a research idea or have you completed a project with a topic related to **Innovation, Language & Culture, Growing Literacies, Diversity, Equity, and Inclusion**, and/or **Literature & Storytelling**?
- Can the findings be represented visually (any combination of photographs, graphics, and textual information)?
- Would it be of interest to those involved in school or youth librarianship?

The **International Association of School Librarianship (IASL) 2021 Annual Conference** offers an amazing opportunity to share your research Ideas with an international audience of professionals within the field of school librarianship.
