# SCHOOL LIBRARY VIDEO COMPETITION

*Are you doing something AMAZING in your  
school library?*

**The International Association of School  
Librarians (IASL) wants to hear from  
TEXAS SCHOOL LIBRARIANS  
about the AMAZING library programs in  
their schools.**

Enter the video competition and your school library could be featured at our annual international conference in July! Selected videos will be featured during the IASL 2021 virtual event and winning librarians will receive **complimentary admission** to the conference!!!

# HOW TO ENTER:

1. Choose ONE area of your library program as the focus for your video. We understand that you may not be able to have students in your video; we are looking to see great spaces and great ideas for what you may be doing online and/or in person.

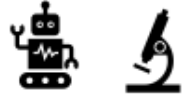

2. Make a short video emphasizing that ONE chosen area that meets the following parameters:

- The video clearly addresses **1** of the 5 specified categories 
- The physical and/or digital library space is showcased
- Features Face-to-Face and/or Online components of the library program
- Video is 2 minutes or less and can be accessed by a shareable URL link
- Submission is made by a school librarian from a Texas school
